## **BAND BIO**

Introducing AbSOULute, your premier funk cover band dedicated to recreating the vibrant energy of those timeless hits from the golden era of funk and soul!

AbSOULute is a 10-piece band, featuring male and female vocalists and a 3-piece horn section, that has performed throughout Southern California since 2017. Each member of AbSOULute brings professional level talent and flair to the stage, recreating the intricate arrangements and unforgettable melodies that defined funk and soul music. From the moment we hit the stage, our goal is to create an unforgettable experience that keeps the energy high, the crowd engaged, and the dance floor packed.

Imagine a night where the iconic songs of Earth Wind & Fire, the dynamic brass of Chicago, the infectious melodies of Stevie Wonder, the sizzling vocals of Chaka Khan, and the smooth harmonies of the Isley Brothers fill the room, inspiring an irresistible urge to dance and sing along. Our band is more than just a tribute to these legendary artists; we are a celebration of an era that revolutionized music and dance.

With a repertoire that includes the greatest hits of funk, soul and a little classic rock, our performances are a dynamic journey through a musical landscape that has left an indelible mark on pop culture. Whether it's the infectious rhythm of "Dance to the Music" by Sly and the Family Stone or the brass-heavy groove of Chicago's "Beginnings" AbSOULute delivers each song with authenticity and passion.

We pride ourselves on our ability to connect with audiences of all ages, ensuring that every concert is a high-energy celebration of music that transcends generations. Our goal is to create a lively, engaging atmosphere where every one can lose themselves in the music, reconnect with their favorite classics, and experience the pure joy of funk and soul music.
